6. _____. It is a long narrow strip of material used to tie things together or as a decoration.

7. _____. It is a device used for cutting materials such as paper, cloth and hair.

8. _____. It is a soft container made out of paper, usually with a handle.

9. _____. It is a long narrow strip of material which is sometimes sticky on one side.

Make a creative wrapping job. Write the materials you used and how it was themed. Then ask your mum or dad to take a picture of you with your wrapping, print it and paste it.
