

My New Friends Activity Planner

Read and plan your next activity.

- Imagine you are going to interact with your new classmates and make some friends. What activities would you do together? Where and when would you go? How much time would you stay with them? Would you rather a classmate's house in the city or a cabin in the forest.*
- Follow the guidelines to present your final plan – remember, it is an oral presentation.
- You can prepare some pictures or get real items handy for the task.
