

## Writing a Story

**You will rewrite your story about “The evolution of fun and media throughout the years”, but before that, you should consider the description of each step to improve your story details.**

- Match the steps with their descriptions, so you can have a better story sequence and rewrite it.

**1. Heading**  
(      )

**A** What happens to the main character?  
How does it react?  
What is happening around it?  
What is the climax of the story?

**2. Introduction**  
(      )

**B)** To summarize something.  
To give an explanation.  
See in the future.  
This step clarifies open questions.

**3. Main Part**  
(      )

**C)** Mention the main person.  
Describe the environment.  
Describe the framework conditions.  
This step leads to the main story.

**4. Conclusion**  
(      )

**D)** Make curious.  
Do not betray too much.  
Short and sweet.  
This step makes you want to read.
