

Reducing Pollution Planner

Write a plan to reduce pollution.

- You live in a big city, where there are a lot of cars, people, and bad habits to taking care of the environment. You and your friends want to make a plan to reduce pollution, how can you do that? You have to consider the following aspects: Why do you want to create this plan? How can you ask for help to get better results? What are the pros and cons of this plan? What would the benefits of connecting to nature be?*
- Follow the guidelines to present your final plan – remember, it is an oral presentation.
- You can prepare some pictures or get real items handy for the task.

Presenting Time: _____ **minutes.**

Points to cover		Key information to present	Language I can use for presenting the point
1.	Set the day and where you would start the plan		
2.	Who would help you and how would you start it?		
3.	Pros and Cons for this plan		
4.	What would you need to start the plan? (Budget, material, extra resources, etc.)		
5.	What would the benefits of connecting to nature be?		
6	Extra information to complete the plan
