

For each question, choose the correct answer.

### First time in Mexico City

The Coleman family always travels to the mountains in winter. This year, they decided to **(1)** \_\_\_\_\_ to a big city called Mexico City. Mary told Frank they **(2)** \_\_\_\_\_ need a map , but he said they would be able to arrive **(3)** \_\_\_\_\_ without one. After walking **(4)** \_\_\_\_\_ downtown for three hours, Frank realized they were lost. Mary rolled her eyes and said, "I told you!" She got into a store and came out with a city map and some souvenirs. After looking at the map for about three minutes, Mary decided to visit two museums, while Frank didn't say anything, he was ashamed because of his decision. After that horrible time, they just decided to enjoy the travel, they were just very far from home, and they wanted to have a great experience in **(5)** \_\_\_\_\_ country. After five days of visiting the city using the map, they **(6)** \_\_\_\_\_ got lost again.
