

## My holidays

**You are planning your next holiday in the summer and you have to choose a place.**

**Think about 3 different countries, their characteristics, and the activities you could do there. Write some notes: Why would you go there? When? Who will join you? Etc. Complete the template.**

| Place 1                       | Place 2                       | Place 3                       |
|-------------------------------|-------------------------------|-------------------------------|
| Country/Place:                | Country/Place:                | Country/Place:                |
| Budget:                       | Budget:                       | Budget:                       |
| General activities:           | General activities:           | General activities:           |
| Whether:                      | Whether:                      | Whether:                      |
| New activities to do:         | New activities to do:         | New activities to do:         |
| Famous places:                | Famous places:                | Famous places:                |
| How could I get there?        | How could I get there?        | How could I get there?        |
| Conclusions about this place: | Conclusions about this place: | Conclusions about this place: |
