Hello Gris,

I hope you're fine. I'm **(0) glad** to tell you about our time in Brazil.

Here people do different activities, **(1)** \_\_\_\_\_ as surfing, beach running, sunbathing, and going to parties. For **(2)** \_\_\_\_\_, during the weekend they **(3)** \_\_\_\_\_ go to the beach to play and listen to music, while other people in their free time prefer having a barbecue with their family and friends. On weekdays, Brazilian people go to work and **(4)** \_\_\_\_\_ night spend time watching soccer games. In summer, they enjoy the sand and the sea. In autumn, they go surfing taking advantage of the big waves. Most of the visitors here are friendly, you just **(5)** \_\_\_\_\_ to pay attention when you are walking on the streets because there are some people who may steal your things when you are distracted – they are called **(6)** \_\_\_\_\_, but other than that, everything else is good.

Best wishes, xoxo!

Ger
