

My pen pal

Look at the letter and complete it with your own ideas.

Dear _____ :

I am _____ that we are going to be pen pals! I'm _____ and I'm currently studying preparatory school in _____.

I am a _____ girl when I don't know someone very well, but I'm a very _____ and _____ friend, that's why I decided to write you first – then we can meet at school.

I am _____ years old, I live in a medium _____ with my parents, and I have an English bulldog, I go with him to the park every _____, and he loves that!

What about you? Do you _____? What do you do _____?

Next month I'm starting a new course at your school. I entered this program to know new friends. So, when I arrive in Canada, we can _____ and hang out!

When you write back, I would like to know:

What is _____?

Do you have _____?

What is your _____?

What kind of _____?

I can't wait to hear from you!

Your friend

_____.
