Don't hurt me!

“What a nice day,” Kata says.
The flowers are dancing with the wind.

Suddenly, the wind blows stronger and stronger and stronger...

She gets to a strange place.

What is this place? Can she stay here?
Can she go?

Maybe not...

Ouch! Ouch!

**“This boy can kill me. I will die,” she thinks.
She is very sad without her flowers.**

Hey you! That ladybug is mine!

PUM, PAM, ZAZ !!

Now, Kata is free.

She is happy again. The girl saved her and she can fly to the garden!
