# Shower Time

When no one can see, soap, toothpaste, toothbrush, shampoo, and comb have a big party in the bathroom.

Ouch! No, no, noooo!

When it's shower time for Tony, everyone must be ready.

Where is soap?

Oh, no! He always slips!

Not in the toilet again, please!

Gross!

Tony is coming. Is everyone ready?

They look everywhere. In the toilet,  
next to the tub, under the sink,  
behind here and there.  
They can't find soap  
Where is he?

Help! Help me please! I am here!

Quick! Tony is here! Get him out!

Now everyone is ready for shower time.
