Introduction

Amazing kidz

Is a new series of books for the youngest children that are ready to start the adventure of learning a second language.

The books contain coloured activities to keep learners' attention and practice pages in black and white to reinforce each lesson. These activities facilitate the children's language acquisition process.

STRUCTURE

Three-level kindergarten course:

Amazing kidz 1 (3 years)

Amazing kidz 2 (3.5-4.5 years)

Amazing kidz 3 (4.5-5.5 years)

Each book has 6 units with 162 lessons in total.

COMPONENTS

Amazing kidz consists of the following components for students and teacher use, and all together make up a fun and attractive program.
