# Introduction

## Amazing kidz

Is a new series of books for the youngest children that are ready to start the adventure of learning a second language.

The books contain coloured activities to keep learners' attention and practice pages in black and white to reinforce each lesson. These activities facilitate the children's language acquisition process.

## STRUCTURE

Three-level kindergarten course:

**Amazing kidz 1 (3 years)**

**Amazing kidz 2 (3.5-4.5 years)**

**Amazing kidz 3 (4.5-5.5 years)**

Each book has 6 units with 162 lessons in total.

## COMPONENTS

Amazing kidz consists of the following components for students and teacher use and all together make up a fun and attractive program.
