

10. Green hair

Topic:	Growth	
Objective:	Student will observe grass growing.	
Vocabulary:	rubber bands, sawdust, birdseeds, soil	
Materials:	- Some soil	- Mouth stickers
	- Some birdseed	- A spoon or small shovel
	- A stocking	- Scissors
	- Moving eyes	- Cold silicone
	- Rubber bands	- A 10-cm piece of PVC tube

Development:

- **Read and look at the pictures.**

- Step 1.** Cut the tip of the stocking.
- Step 2.** Put the stocking on the tube.
- Step 3.** Flip over the tube and put some birdseed in it.
- Step 4.** Put some soil in the tube.
- Step 5.** Release the tube and make a knot.
- Step 6.** Use the bands to make some small balls for the nose and ears.
- Step 7.** Place your Mr Grass Hair on top of a container – it must have some water for the stocking tail to absorb it.
- Step 8.** Be creative and find ways to give you Mr Grass Hair a great look.
