A wide-angle photograph of the Colosseum in Rome, Italy, taken during the 'golden hour' of sunset. The sun is low on the right side of the frame, casting a warm, orange glow over the entire scene. The sky is a mix of deep blue and vibrant orange, with wispy clouds catching the low light. The Colosseum's iconic tiered arches are clearly visible, with some interior lights glowing from within the structure. In the foreground, there are some dark silhouettes of trees and a road with a few cars. A semi-transparent white banner with rounded corners is positioned at the bottom of the image, containing the text 'architectural monuments' in a black, sans-serif font.
